

# Northwest Arkansas **FertilityCare**™ Center

## Teaching Agreement Standards and Policies

- The usual program consists of eight follow-ups of approximately one-hour each scheduled at 2, 4, 6, 8, 12 weeks, 6 months, 9 months and 12 months, then every six months or as needed.
- The cost of each follow-up is \$60 or \_\_\_\_\_ per sliding scale due at the time of the follow-up. Late payments add \$5.
- If a follow-up lasts more than 1 ½ hours an additional fee of \$30 per hour, broken into 15 minute increments, will be assessed.
- Cancellations not made within 12 hours or “no-shows” will be billed the full cost of the follow-up; \$60.
- For best results, the Creighton Model FertilityCare System materials are designed to be used with the assistance of a personal teacher. If client does not attend a minimum of five follow-ups, the client materials are to be returned and a 50% refund will be given.
- Effectiveness of the Creighton Model FertilityCare System to achieve or avoid pregnancy is very high, however, no guarantee of effectiveness is given in an individual situation.
- The FertilityCare Practitioners of the Northwest Arkansas FertilityCare Center pledge to uphold the standards of the Creighton Model and those of the American Academy of FertilityCare Professionals.

I have read and accept the above provisions of this teaching agreement.
